III. SIP Update

Mr. Clavell (absent due to jury duty), we have updated. We consistently work on school improvement. We are working on sustaining our academic performance and school culture. We hired a CIS to reach out to the community more. More activities will be added as we try to involve our community, including online. We held our successful Trunk-or-Treat, as well as a successful Magnet showcase. We will continue to highlight the school for parents (until January 15). Big emphasis on safety and security. Review of protocols regarding safety.

IV. Title 1

We have become a Title I school, with all the accountability that entails. It focuses on family engagement. Natalie must send out monthly surveys to report responses. Room 49 has become a resource room for parents. We have created two stations for parents (and facilitate applications). The first PAC meeting was held at Homestead High School on the 16th. The next one will be virtual next month.

V. Discipline Team

We are continuing in our diligence holding adults and students accountable. There have been no major issues. We continue to use the HERO app. The activity weeks have loosened up some dress code violators. Safety continues to be a concern.

VI. Safety & Security Team

A special principal meeting was called regarding regional safety. Cardiac drill for today is going to be rescheduled within the second nine weeks. Dec 6 will be the emergency drill and the fire drill. Reminders will be in emails. Access to the back of the campus has been restricted. New fences have been added regarding access to the fields and more. A new security monitor has been added who guards the outside door to the middle school. There is an order in for another fence.
