Dear CIE Families,

It is with great excitement and enthusiasm that I welcome new and returning families to Center for International Education: A Cambridge Associate School (CIE) to the 2021-2022 school year. As part of the Golden Lion pride, you have made an excellent choice in attending CIE to complete your high school journey as we have maintained our “A” rated status provided by the Florida Department of Education since the school’s inception. During this time, our commitment to you is to provide a rigorous, college preparatory experience through our Cambridge Program while offering all students the complete high school experience through our various clubs, organizations, field trips, and Activities.

At CIE, each student will be provided with the necessary skills to become **CONFIDENT, RESPONSIBLE, REFLECTIVE, INNOVATIVE, & ENGAGED** learners. During your educational journey at CIE, I highly encourage you to become involved in your school while giving back to your community. As a matter of fact, I highly encourage for you to connect with Ms. Fleischer, Silver Knight Coordinator, to discuss the specifics as it relates to this Community Service Based Organization through the Knight Foundation. Winners are afforded scholarships during their senior year of high school. Additional details can be provided by Ms. Fleisher and by visiting our school’s website:

www.ciecambridge.org.

Finally, as Golden Lions, rest assured there is a dedicated and committed staff available to assist you reach your academic successes throughout your entire high school experience. Often times you will see our **#thatscie** on our social media posts as we are continuously proud of the home we have built for staff and students. As with every new school year, new students and staff enter our halls and quickly learn just how special CIE will be. With that being stated, **“WELCOME to the PRIDE!”**

Sincerely,

Jennifer Rodriguez-Ledesma
